Hi Alexis,

I apologize for the error. Looks like I was doing too many reports at one time. Here is the corrected page.

Hi Lori!

I lied about the e-mails. I had a question about the final realized costs report you submitted for exemption #E-011-011. On page 1, you listed key milestones completed and some of the dates don't seem to make sense. Based on the notice of obligation you submitted, I had the obligation date as 08/30/2011, not 04/05/2012. Is that a mistake? Also, was the project completed on

09/03/2012, not 09/03/2011?

Thanks for your clarification.
